

Goodyear Fortress 1200 System Hoses

Product Description

The ultimate system hose. Outlasts by far any conventional hose due to its build qualities and features.

Microban impregnated outer cover resists bacterial growth and prolongs hose life. All assemblies include stainless steel ends and heavy duty cuffs.

- Lightweight and flexible
- No steel braiding - will not rust or peel
- Microban impregnated outer cover which is anti-bacterial and resists deterioration of hose cover
- Available in Blue, Red or Yellow for colour coding
- Carbonyl cut resistant covers
- Maintains flexibility and will not crack in cold environments

Technical Spec.

- 82 bar rated
- -29°C to +93°C temperature rating
- 0.30 kg / metre
